CLIENT II

International Partnerships for
Sustainable Innovations

Networking

Networking between the CLIENT II projects was promoted through the work of regional project offices and accompanying research projects as well as through conferences, regional meetings and webinars.

- » **Project offices** | in China, Kazakhstan, Vietnam
- » **Accompanying research** | Science-Policy-Interface and Client2Works
- » **Conferences** | Kick-Off Conference 2019 – Status Conference 2021 – CLIENT Conference 2024
- » **18 regional meetings** | for projects in Central Asia, South America, Africa, South-East Asia
- » **21 webinars** | e.g. innovation management; SDG; participatory research; intercultural communication

Research

From **2018 to 2025**, the CLIENT II funding initiative financed **>70 international research cooperations**, which were active in **>30 countries worldwide**. As part of CLIENT II, international and German partners developed innovative and sustainable solutions in **seven focal areas**.

Resource efficiency & circular economy
Water management
Climate action & energy efficiency
Adaption to climate change
Land management
Sustainable energy systems
Natural hazards

Communication

The results of the research projects are comprehensively documented and publicly accessible. **The website www.bmbf-client.de** serves as a central communication platform. Videos, newsletters and a brochure provide further insights into the work of CLIENT II.
